ABOUT

I am a focused and goal-driven individual, passionate about actively enhancing my skill set in the field of engineering. With experience in programming, web development, and leadership roles, I am dedicated to continuous learning and development. I am committed to contributing effectively to projects while driving my overall growth.

EDUCATION

Parle Tilak Vidyalaya English Medium School 2019-2020
SSC- 91.40

Sathaye College 2021-2022
HSC- 65.17

Fr. Conceicao Rodrigues College of Engineering, Bandra(W), Mumbai November 2022 – Present
Bachelor of Engineering in Electronic and Computer Science
(CGPA)- 7.5/10

KEY PROJECTS AND RESEARCH

Canteen Website Development

As a key member, I contributed to the development of a user-friendly website for the College canteen. We utilized HTML and CSS to effectively display daily menus and special Offers and integrates an interactive ordering system to streamline the meal selection process.

Python Mini Project

Computer Control Panel: Shutdown, Restart, logout

This Project serves as a control panel for managing essential computer operations, including shutdown, restart, and logout.

TECHNICAL SKILLS

Experienced: C, HTML, CSS, SQL, Python

Familiar : Java, Javascript, System Verilog

POSITIONS OF RESPONSIBILITY

- **Fr. CRCE Student Mentor -** Mentoring second-year students in academics, programming, and setting up a culture of growth
- **Fr. CRCE IEEE** - As a Junior PR HEAD in IEEE, I contributed to enhancing the organization's visibility, managing communications, and promoting events through strategic outreach and public relations efforts. (2023-2024)
- **Fr. CRCE IEEE** – Vice Chairperson in IEEE. (2024-present)

CERTIFICATES

- **Smart India Hackathon Winner 2023**

- **Academy of Skill Development**
  AL-ML project based training using Python
